

# Hare

(Focus: sharps/scales across four strings/ties)

Hare's partner song is Tortoise

## Practice Tip:

Play the eight note scale in measure 16 by itself, focusing particularly on your left hand technique. Practice the scale until you can play it 5 times in a row without a buzzed note or pause in the rhythm.

## Amazing Animal Facts:

\*Hares can sometimes be seen 'boxing'; one hare hitting another with its paws.

\*Their teeth grow constantly and must be worn down with lots of chewing.

\*Hares can reach speeds of 64 kilometers per hour.
